

Cell Phone Policy

Patrons are asked to silence their cell phones upon entering the Prospect Library.

Text messaging is permitted in the library.

If patrons find it necessary to use a cell phone, it is expected that they take/make the call outside of the library, in the entrance vestibule or in the Community Meeting Room if it is not in use.

On rare occasions, cell phone use may be necessary for technical support while at one of the library computers. Brief and quiet conversations are permitted at this time.

Patrons wishing to report inappropriate cell phone use may contact a Library staff member at the circulation desk. The Library reserves the right to ask anyone to leave the library if they are using a cell phone in a manner which is disturbing to others in the library.
